

## Diving Course – 2 days PADI – FROM ONLY \$220

PADI Scuba Diver is an entry-level course to Scuba Diving. PADI is an internationally certifying organization, whose certificate you will be awarded on successful completion of your course. The certificate of the organization you choose is your "diving passport" to the world.

### The prerequisites for such a course are:

1. To be 12 years of age on the first day of the course (any participant under the age of 15 requires a letter of consent signed by a parent/guardian).
2. Successful completion of a swim test (there is no need to be a great swimmer).
3. To complete and sign a Medical Statement (in the case of any medical problem or history, the participant must be examined by a diving doctor: available at Aqua Sport).

### Duration:

The Scuba Diver Course is a 2 day course and the Open Water is a 5 day course involving theoretical and practical lessons. The day begins at 09:00 and ends at 17:00 including a break for lunch and relaxation. It is important to note that the objective of the diving course is to introduce the participant to a new and exotic world of underwater life whilst having fun. However, diving licenses are not automatically "handed out", we believe first and foremost in quality and safety. Therefore, we make sure that each and every participant meets all the required standards prior to receipt of certification. Any student who did not complete the course for whatever reason is welcome to return within a year to do so (subject to availability).

### Certification:

PADI Scuba Diver certifications are recognized internationally allowing the diver to dive to a depth of 12 m.

**Registration Fee** – A registration fee of \$50 may be paid with a credit card to ensure a place in the course.

Payment – the remaining amount may be paid on the day of arrival.

**Medical Examination** – On the first day of the course, you will be required to fill in Medical and Liability Release forms. In the case of a positive answer to one of the questions, you will be required to undergo a medical examination by a diving doctor.

**Accommodation** – Aqua Sport has a hostel in the city centre offering comfortable accommodation at reasonable prices. Aqua Sport provides transportation to and from the city centre.

**Food & Beverage** – Aqua Sport's Kiosk provides full meals, snacks and refreshments throughout the day. In the evening, the "50 Bar" on the beach is a great way to end the day.

**Diving Equipment** – All prices include a full set of equipment for use during the course. However, Aqua Sport is the sole importer of some of the best equipment in the world manufactured by companies such as Sea-Sub, Sea Quest, US Divers and Sherwood. This equipment and much more may be found in the "Diving Locker".

**Location** – Aqua Sport is located approx. 5 km south of Eilat on the sandy shores of Coral Beach. Bus no. 15 leaves the central bus station every 20 minutes and has bus stops near the north beach hotels and the Eilat – Taba Road. Taxis are also readily available from any part of the city.

**Refunds** – The registration fee is not refundable. A student who does not complete the course once the first day has been successfully completed will be given a referral and may return to complete the course within a year.
